PAKISTAN FLOODS

SITUATION REPORT

August 03 , 2022

Muslim Hands Team On The Ground

❖ Muslim Hands established Free medical camp in Soomargoth village today for the Flood Affectees. Today more than 242 patients were provided best medical facilities at the camp.

❖ Distribution of 470 cooked meals and 470 clean drinking water bottles to the affected population in Tounsa Sharif, **South Punjab.**

❖ Rescue and Relief Activities still going-on in **South Punjab.**

❖ In Balochistan, Muslim Hands now in the second phase of food distribution in the flood affected areas declared recently the most affected ones as a result of second spell of heavy monsoon rains in **Balochistan.**

Flood Highlights 03 August 2022

- The death toll from torrential rains and flash floods in Balochistan increased by 15 on Aug 03, 2022.
- Heavy rains in Karachi are predicted from August 6 to August 9 by MET office..
- PMD said that northeastern Punjab, Kashmir, southern parts of Sindh, and the coastal areas of Balochistan were likely to receive "above average" rainfall.
- In Balochistan, recent deaths were reported in Zhob, Qilla Saifullah, Kohlu, Naushki and Lasbela where rainfall over the past 24 hours caused flash floods.
