Accountability to Affected Population

30th July 2021 - Islamabad, Pakistan

Accountability to affected populations is an active commitment to use power responsibly by taking account of, giving account to, and being held to account by the people humanitarian organizations seek to assist. To acquaint the participants about the commitment of accountability Pakistan Resilience Partnership organized a webinar on 30th July 2021, at 11:30 hours Pakistan Standard Time (PST) under the “APP 2 Program”. The webinar was attended by 34 individuals representing government, local NGOs/ civil society organizations, INGOs and community members.

The moderator Mr. Muhammad Kamran, National Coordinator, NHH welcomed the participants and introduced the presenter and the objectives of the webinar.

The webinar was conducted by Mr. Azmat Khan, a member of NHH Central Executive Committee (CEC), Operational Policy and Advocacy Group (OPAG) at Inter Agency Standing Committee (IASC) and Executive Director of Foundation of Rural Development (FRD).

Mr. Azmat Khan explained about the accountability and factors of accountability to affected Populations while linking the topic with sexual exploitation and abuse, he explained that it is the most serious breach of accountability in the humanitarian settings. He explained in detail how accountability to affected population can be ensured in all the phases of a project including the assessment, project design, project implementation and in monitoring & evaluation.

He also briefed the participants that how accountability to affected population is linked with the four commitments of IASC that are leadership, participation and partnership, information feedback and action results. At the end a question answer session was held where the participants raised their questions to the presenter and also shared their views on the topic and the webinar.
